

Scott Jarvis,

My name is Cameron Wendt and I was informed that my insurance license was revoked. I would like to demand a hearing and chose option 1 . By revoking my insurance license it could very well cause me to lose my job. In result of losing my job it could possibly cause me to lose all of my assets. I feel this is very unfair because of the fact you have all ready have given my license and now you want to take it away. Please call me directly at 360-991-6243 or write to 4009 ne 118th st Vancouver Washington 98686 with a hearing date. Thank you for time and I will hear from you soon.

Sincerely , Cameron Wendt
